

Rhyming with Crazy A's®

Thanks for downloading our monthly freebie! Print these templates and grab your decks of Crazy A's cards. Find the rhyming words and have fun! Each level has a template. For each level, look through the deck to find the words that rhyme with the words on the printout and stack them in the designated card spots.

For more of a challenge, time yourself to see how fast you can find the rhyming words or race a partner if they also have their own deck. If you don't have Crazy A's yet or want to add more of your own rhyming words, print and cut out as many blank cards as you want (found at the end of this document) and write your own cards.
